NEW!

passed in 2010 through the spring of 2011. It will help you keep up to date on changing tax laws that impact your clients.

IRA and Retirement Plan Quickfinder Handbook

There's no more confusing area of tax law than the rules for IRAs and retirement plans—eligibility, making contributions, limits on contributions and elective deferrals, covering employees, how distributions are taxed and when they are required, penalties, and selecting beneficiaries, just to name a few—and they often differ from plan to plan!

Get all the quick answers you need about IRAs and retirement plans in one handy source, as only Quickfinder can provide. In addition to concise discussions of important topics, you'll get loads of quick reference tables, charts,

checklists, worksheets, examples and other useful information.

Whether responding to client questions, getting up to speed on the relevant rules, or simply looking up an amount, this *Handbook* will get you your answer quickly and accurately. No more searching through multiple publications or websites to find the answer you need. This *Handbook* is sure to save you valuable time.

The new *Handbook* is in our traditional Quickfinder Handbook format with laminated covers, tabs, and comb binding.

Social Security and Medicare Quickfinder Handbook
